**AUDIT EXECUTIVE SUMMARY:**

Mexus Cold Storage is an cold storage operation located in Laredo, TX, providing cross-docking services year round. The main commodity at the facility is avocado's, but can also include others as outlined in the application. The facility is a completely dry facility, with no high humidity storage. It consists of 3 coolers, and the shipping area. A dry storage area is right next to the facility as well that was not part of the scope of the audit. There are approximately 8 workers at the facility, which is consistent year round. No allergens are handled at the facility in any capacity. The water source used is municipal, used for hand washing and general cleaning purposes. The facility scope is approximately 20,000sqft.
